**NAME:**

MICOB Pvt. Ltd.

**LOCATION:**

Gandhinagar, Gujarat

**THE SOLUTION**

High performance and mobile 3D concrete printing.

**HOW IT ADDRESSES THE PROBLEM**

Unlike existing 3D printing construction solutions that rely on fixed printers, the proposed mobile concrete printer can achieve automated and quality-controlled construction while maintaining full portability. It is also enabled with thermal drying facility that allows for faster printing times.

**WHO IS THE TARGET GROUP**

The technology is suitable for builders, developers, civil engineers, and construction equipment leasing companies.

**WHAT HAS BEEN THE IMPACT SO FAR**

The technology has been tested on several demonstration modules.
